GREAT HALL

The Great Hall can accommodate approximately 200 seated or 300 standing, audience-style.

LOBBY

MOA's Lobby at the main entrance, adjacent the MOA Shop, is a food service-permitted space. This is ideal for a welcoming station for guest arrival. The Lobby can accommodate approximately 100 reception-style.

COURTYARD ROOM

By day, the Courtyard Room serves as MOA's café; by night, these retail elements are designed to hide away. The Courtyard Room becomes a blank slate on which to plan your chosen design. The café counter may be used as a ready-made bar space and the café furnishings are available to evening rental events, as desired. The Courtyard Room can accommodate approximately 100 reception-style or 70 dinner-style.

OUTDOOR COURTYARD

The Outdoor Courtyard adjacent to the Courtyard Room is surrounded by soaring cedars and hemlocks. The space can be tented (40' x 40' or 40' x 60') or can be used open-air for receptions, parties or corporate gatherings. MOA's Outdoor Courtyard can accommodate approximately 120 dinner-style or 160 reception-style.

HAIDA HOUSE

MOA's unique and beautiful Haida House was created by artists Bill Reid and Doug Cranmer, and can be used for intimate meetings or dinners, or as a quiet contemplative space in a larger evening's event. The Haida House's unique shape can accommodate approximately 40 dinner-style, 100 reception-style, or 80 to 120 audience-style.
